DESCRIPTION

Addressing

Third class Householder mail may be addressed simply "Householder" or "Boxholder", etc., without any further address.

Mailing Restrictions

Householder mail is generally restricted to Mail printed on paper, cardboard or parchment. Customers wishing to send samples of merchandise by the Householder system should consult the Postmaster about rates, weight, sizes and special conditions of preparation.

Application

The method of make-up and prepayment of postage described in this pamphlet does not apply to a mailing of third class items which are individually addressed.

DELIVERY

One piece of Householder mail will be delivered, as far as the supply permits, to each "Point of Call", that is:

- in offices having Letter Carrier Service, one piece to each mail receptacle on a Letter Carrier Route and to each customer receiving mail through General Delivery, Lock Boxes or by Rural Route Delivery.
- in non-Letter Carrier Offices, one piece to each family receiving mail through General Delivery, Lock Boxes or by Rural Route Delivery.

The span of delivery for householder mail is three days after the day of receipt by the letter carrier for all householder mail, other than the catalogue types to which a maximum of five delivery days will apply and samples to which a maximum of seven delivery days will apply. Householders received by the carrier prior to the start of the P.M. portion of his route will be processed by the letter carrier at noon. This will allow the delivery span to begin the following morning.

PREPARATION

The following instructions refer specifically to printed matter:

- Each piece of mail must bear the name and address of the sender.
- The items are to be made up in securely tied packages or may be enclosed in containers of a size to permit ease of handling; each package or container is to bear a fully completed official address label, 33-86-065.

3. The following information must be given on the Householder label:

(I) For delivery at Letter Carrier Offices

- (a) Name of Post Office
- (b) Postal Station—when applicable
- (c) Number of pieces
- (d) Letter Carrier Route number or indication of other delivery service
- (e) Name and address of sender
- (f) Postage or permit number must be placed on Householder label
- (g) Weight of one item

(II) For delivery at Rural Post Offices

- (a) Name of Post Office
- (b) Name and address of sender
- (c) Number of pieces
- (d) Postage or permit number must be placed on Householder label
- (e) Weight of one item

(III) For delivery on Rural Mail Delivery Routes

- (a) Name of Post Office
- (b) Rural Route number
- (c) Name and address of sender
- (d) Number of pieces
- (e) Postage or permit number must be placed on Householder label
- (f) Weight of one item

4. Each item of "Householder" mail must be of a uniform size and weight and be put up in lots as indicated above. Mailers must be sure that the number of items is correct in each package and that the proper postage is paid lest delay occur when the packages are checked.

5. All Householder mail must conform to the size and weight limitations set out elsewhere in this pamphlet.

6. The items must be handed in specially at a Post Office. They are not to be deposited in post office mail receivers or in street letter boxes or parcel receptacles.

Restrictions au dépôt

Généralement, le terme "objets sans adresse" ne s'applique qu'à des imprimés sur papier, carton ou parchemin. Quiconque veut expédier des échantillons de marchandise comme objets sans adresse doit s'informer auprès du maître de poste du tarif, des limites de poids et de dimensions, et des règles particulières de conditionnement.

Application

La façon de préparer et d'affranchir des envois décrits dans le présent feuillet ne s'applique pas aux objets de la troisième classe qui portent une adresse individuelle.

DISTRIBUTION

La distribution des objets sans adresse se fait à raison d'un objet par point de remise tant que le permet l'approvisionnement, c'est-à-dire:

- a) aux bureaux avec facteurs, un objet dans chaque boîte aux lettres sur les itinéraires de facteur et un objet à chacun des clients desservis au guichet, par une case à serrure ou par une route rurale;
- b) aux bureaux sans facteurs, un objet à chacune des familles desservies au guichet, par une case à serrure ou par une route rurale.

Le délai de distribution des envois d'objets sans adresse est de trois jours à partir du lendemain de la réception par le facteur pour tous les dépôts d'objets sans adresse, sauf les objets de la catégorie des catalogues, pour lesquels on accorde un délai d'au plus cinq jours ouvrables. Le facteur traitera le midi les objets sans adresse qu'il reçoit avant de commencer la partie de l'après-midi de son itinéraire. Le délai de distribution pourra alors commencer le lendemain matin.

CONDITIONNEMENT

Les règles ci-après visent exclusivement les imprimés:

2. Les objets doivent être solidement attachés en paquets ou bien ils peuvent être placés dans des récipients dont les dimensions permettent une manutention facile; chaque paquet ou récipient doit porter une étiquette-adresse officielle 33-86-065 dûment remplie.
3. Voici les renseignements à indiquer sur l'étiquette pour envois collectifs d'objets sans adresse:

(I) Bureau avec facteurs

- a) Nom du bureau de poste

(verso)

- b) Succursale postale, s'il y a lieu
- c) Nombre d'objets
- d) Numéro de l'itinéraire de facteur ou indication d'un autre mode de livraison.
- e) Nom et adresse de l'expéditeur
- f) Il faut y apposer l'affranchissement ou y indiquer le numéro du permis.
- g) Poids d'un objet

(II) Bureau de poste rural

- a) Nom du bureau de poste

- b) Numéro de la route rurale
- c) Nom et adresse de l'expéditeur
- d) Nombre d'objets

4. Les objets doivent avoir un poids uniforme, être de mêmes dimensions et être groupés comme il est indiqué ci-dessus. Les expéditeurs doivent s'assurer que le nombre d'objets est bien indiqué sur chaque paquet et que l'affranchissement voulu est payé, autrement il y a risque de retard lors de la vérification des paquets.
5. Tous les envois d'objets sans adresse doivent se conformer aux limites de dimensions et de poids indiquées ailleurs dans le présent feuillet.
6. Les envois doivent être déposés au guichet du bureau de poste. Ils ne doivent pas être postés dans les boîtes aux lettres du bureau de poste, ni être jetés dans une boîte aux lettres ou à colis publique.
